

EMERGENCY PLAN

An emergency situation for a Putnam City family will be defined as a home destroyed by fire, flood, storm/tornado, other natural disaster or catastrophe or unexpected substantial hardship deemed an emergency by agreement of Care Share organizers and Putnam City employees (administrator, counselor or teacher). Two such employees must agree and contact Care Share.

Gift cards will be purchased and given to the family or the PC employees who requested the assistance in the amount of \$100 per child up to \$500 per family.
