Roger Barrios Scholarship

Mr. Roger Barrios was a devoted and beloved physics teacher for numerous years at Putnam City North High School. He was known for his sense of humor as well as his kindness and compassion. However, it was his passion for learning and for science that was contagious and was the spark that began many careers in science.

In that light, the Roger Barrios Scholarship is for precisely that student – the student whose curiosity and passion for science will lead them into an area of engineering, physics, chemistry, biology, or technology - the student who would have responded most to the passion always seen in Roger Barrios's classroom. The recipient will be tomorrow one of the leaders in his chosen area of science.

Scholarship Amount:

\$250.00

Application Deadline:

Last business day of January 2011

Application must be turned in to Mrs. Stafford in the College Office by 3:00 pm on Monday, January 31, 2011.

Roger Barrios Scholarship

Scholarship applicants must:

- be a May 2011 graduating senior from Putnam City North High School
- pursue a career in engineering, chemistry, physics, biology or technology
- be a U.S. citizen
- exhibit an ongoing curiosity and passion for science
- have a strong academic background and aptitude in science and math
- be well-rounded (extracurricular activities/community service)
- submit a completed application, current transcript with ACT/SAT scores, essay, and letter of recommendation from a science or math teacher from the 2009-2010 school year. The letter of recommendation must address the applicant's ongoing curiosity and passion for science, aptitude for math and science, and ability to successfully pursue a career in the area of engineering, chemistry, physics, biology or technology
