INDEPENDENT AUDITORS REPORT

Board of Directors
Putnam City Public Schools Foundation, Inc.
Oklahoma City, Oklahoma

We have audited the accompanying financial statements of Putnam City Public Schools Foundation, Inc. (the "Organization"), (a nonprofit organization) which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Putnam City Public Schools Foundation, Inc. as of June 30, 2015 and 2014 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

A. Organization and Summary of Accounting Policies

Putnam City Public Schools Foundation, Inc., (the Foundation) is a not-for-profit corporation formed under the laws of the state of Oklahoma. The Foundation was organized for the purpose of receiving and administering gifts for the ultimate benefit of Putnam City Schools and its students.

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Basis of Presentation

The accompanying financial statements present all the assets and transactions of The Foundation. The Foundation reports information regarding its financial position and activities according to the three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Temporarily restricted net assets consist of net assets restricted for subsequent period use in specific programs relating to Putnam City Schools. They also include undistributed earnings from the Oklahoma City Community Foundation.

Permanently restricted assets consist of funds placed at the Oklahoma City Community Foundation by reciprocal transfers for the benefit of Putnam City Public Schools Foundation, Inc. They also include endowed funds donated to the Legacy Fund and the Roberta Lowe Fund.

2. Contributions and Support

The Foundation reports grants and gifts of cash and other assets and unconditional promises to give as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received for restricted purposes for which the restriction was satisfied in the year the contribution was granted are not reported as restricted contributions.

3. Donated Services

The Foundation uses, to varying degrees, the services of unpaid volunteers in conducting its production, administrative, and fund-raising activities. No amounts have been reflected in the accompanying financial statements for such donated services because they do not meet the criteria for recognition.

A. Organization and Summary of Accounting Policies-continued

4. Fixed Assets

Additions to property and equipment are capitalized at cost or donated value and are depreciated over their estimated useful lives ranging from three to thirty nine years using the straight-line method. Items costing or having a donated value of less than \$500 are expensed.

5. Cash and Cash Equivalents

The Foundation considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2015 and 2014.

6. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures; accordingly, actual results could differ from those estimates.

B. Fair value measurements

The Foundation reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

Level 1. Quoted prices for identical assets or liabilities in active markets to which the organization has access at the measurement date.

Level 2. Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include

- a. quoted prices for similar assets or liabilities in active markets;
- b. quoted prices for identical or similar assets in markets that are not active
- c. observable inputs other than quoted prices for the assets or liability (for example, interest rates and yield curves); and
- d. inputs derived principally from, or corroborated by, observable market data by correlation or other means

Level 3. Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The investments account is valued with level 1 inputs while the assets held at the Oklahoma City Community Foundation are valued using level 2 inputs.

The funds on deposit at the Oklahoma City Community Foundation were not restricted by a donor when they were deposited with the Oklahoma City Community Foundation. However, the corpus is not available to the Putnam City Public Schools Foundation, and would be transferred to other non-profit organizations if it was terminated. Therefore, management considers it permanently restricted.

E. Income Taxes

The Foundation has received a determination letter from the Internal Revenue Service stating that it is a publicly supported charitable organization pursuant to sections 501 (c) (3) and 509 (a) (2) of the Internal Revenue Code and therefore is not subject to federal or state income taxes on its exempt function income.

The Organization's Forms 990 Return of Organization Exempt from Income Tax for the years ending June 30, 2012 2013, 2014 and 2015 are subject to examination by the Internal Revenue Service, generally three years after they were filed.

Years Ended June 30, 2015 and 2014

F. Endowed Funds Held by Foundations

The Foundation participates in an endowment fund through Oklahoma City Community Foundation (OCCF). OCCF is a not-for-profit entity that provides for endowed contributions to be pooled to maximize return on investments for the benefit of area not-for-profit organizations. Contributions to the endowment fund are permitted by not-for-profit entities as well as individual donors in the community who designate the beneficiary of their contributions. Earnings on these endowed funds are paid annually to the beneficiary organization for unrestricted use. The corpus transferred to the OCCF by The Foundation and the accumulated earnings are reflected as permanently restricted net assets. See Note H for further discussion of these net assets.

The endowed funds contributed by third-party donors held by OCCF designated for the benefit of the Foundation were approximately \$241,000 and \$245,000 at June 30, 2015 and 2014 respectively. These endowed funds are not reflected in The Foundation's statement of financial position.

G. Concentrations

The majority of The Foundation's donors and patrons are located in central Oklahoma. As a result, support of the Organization is highly dependent upon the general economic conditions in the area.

H. Change in Presentation

In prior years, the Foundation has treated the corpus that it transferred to the OCCF as permanently restricted and the accumulated retained earnings as temporarily restricted. The distribution from this account was treated as a release of temporarily restricted net assets.

After discussions with the OCCF, management has decided that treating the entire balance of the fund as permanently restricted and treating distribution from these funds as grant income, more accurately reflects the nature of the transactions. The June 30, 2014 financial statements presented here have been changed from their prior presentation to reflect this change.

H. Evaluation of Subsequent Events

The Organization has evaluated subsequent events through December 9, 2015, the date which the financial statements were available to be issued.
