Thank you for being a **CHRISTMAS ADOPTER**

We are so grateful for your generosity in bringing joy to kids at Christmas! Due to the pandemic, the need is greater than ever. We fully expect to serve over 1,200 children this season.

We want you to be the very best Santa you can be. So, take a minute to review our official Adopter Guidelines. Whether this is your first experience with CareShare or you're a returning adopter, we're happy to answer all your questions. This year especially, we are grateful for your flexibility as we all navigate changes that COVID creates.

You will receive your official adoption match via email no later than Friday, November 13, 2020, which will include the name(s) of the child/children, their wish list and school site plus any additional information about family circumstances or other details our counselors felt would be helpful to you.
